PROFESSIONAL SUMMARY

Second-year B.Tech Computer Science & Engineering student specializing in AI & Data Engineering at Lovely Professional University, maintaining a **9.0 CGPA**. Skilled in Python, Java, C++, full-stack development and Data Structures & Algorithms, with hands-on experience across software and hardware-based projects. National-level achiever with a keen interest in data analytics and software development, and proven strengths in communication, competitive selection and technology events.

KEY SKILLS

Programming: Python, Java, C++

Core CS: Data Structures & Algorithms, Problem Solving

Development: Full-Stack Development, Streamlit

Data & Analytics: Data Analytics, Analytical Thinking

Professional: Product Management, Public Speaking, Event Management

WORK EXPERIENCE

Interview Trainee — [Manzil Tak](#)

- Gained practical exposure to professional interview processes, structured communication and candidate assessment.
- Strengthened professional interaction, communication and interview-preparation skills.

Anchor, Public Speaker & Event Manager

- Hosted and coordinated technology and campus events; delivered engaging public-speaking segments.

PROJECTS

Officer Path

Python • Streamlit

- Built an application to help defence aspirants track and organize preparation, progress and key activities.
- Designed an interactive, user-friendly interface using Python and Streamlit.

Smart Boat

LDR & Ultrasonic Sensors

- Developed a sensor-based prototype boat integrating LDR and ultrasonic sensors.
- Enabled environmental detection and responsive movement through sensor integration.

ACHIEVEMENTS

- **NDA Recommended Candidate — AIR 587:** Successfully recommended through the National Defence Academy selection process.
- **National Technology Fest — Advitya, IIT Ropar:** Secured **2nd Position** at the national-level technology fest.
- **National Youth Gita Summit — National Runner-Up:** Placed **2nd** nationally among **10,000+** participants.

EDUCATION

B.Tech — Computer Science & Engineering (AI & Data Engineering)

Jul 2025 – Aug 2028

[Lovely Professional University • Punjab, India](#)

- 2nd Year • 3rd Semester • CGPA: **9.0 / 10**

LANGUAGES

English — Professional Working Proficiency | **Hindi** — Full Professional Proficiency | **Punjabi** — Native / Bilingual Proficiency
